

Canadian Embryo Transfer Association
Association Canadienne de Transfert d'Embryons

**Application for COMPLIMENTARY REGISTRATION to
2026 AETA & CETA/ACTE ANNUAL SCIENTIFIC CONVENTION
Madison, Wisconsin, USA – September 24-26, 2026**

The Canadian Embryo Transfer Association (CETA/ACTE) is offering up to two (2) complimentary convention registrations for the 2026 AETA & CETA/ACTE Joint Annual Scientific Convention. The 2026 scientific convention will be held jointly with the American Embryo Transfer Association in Madison, Wisconsin, USA, from September 24-26, 2026. The scientific sessions will focus on embryo transfer and reproduction in large animals.

'Complimentary Convention Registration' includes:

- Preconference Seminar on September 24th
- Scientific Sessions, on September 25th and 26th
- Breakfast, breaks & lunch on days of Scientific Sessions (September 25th and 26th)
- One ticket for the banquet on September 25th
- One ticket for the preconference social on September 24th

APPLICANT REQUIREMENTS:

1. Must be a Canadian veterinarian beginning to offer full embryo transfer services in his/her practice (*flushing 2 years or less*).
2. Having attended an embryo transfer workshop is considered an asset.
3. Must agree to attend the scientific sessions, business meeting, banquet, breakfast, luncheons, breaks and preconference social at the convention.

APPLICATION PROCEDURE:

Please complete and submit the application and required information (*in English or French*) by **June 30, 2026** to:

Mail: Canadian Embryo Transfer Association
1800 S Oak Street
Champaign, IL, USA
61821

Email: ceta-acte@assoqh.org
